

Determine if there is a segment that directly connects the points numbered a and b in the figure below.

Input Format

Given as a single string input as:

$a\ b$

Constraints

$1 \leq a < b \leq 15$

a and b are integers.

Output Format

Print the string "Yes" if there is a segment that directly connects the points numbered a and b ; print the string "No" otherwise.

Sample Input 0

1 2

Sample Output 0

Yes

Explanation 0

In the figure in the Problem Statement, there is a segment that directly connects the points numbered 1 and 2, so "Yes" should be printed.

Sample Input 1

2 8

Sample Output 1

No

Explanation 1

In the figure in the Problem Statement, there is no segment that directly connects the points numbered 2 and 8, so "No" should be printed.

Sample Input 2

14 15

Sample Output 2

No

Explanation 2

No Explanation
